

CURRICULUM VITAE

AIYEDERO MERCY OLUWASEUN

Telephone: +234 8163489185; **E-Mail:** mercyaiyedero@gmail.com

Career Goal:

To become a leading researcher and advocate in Veterinary Medicine, advancing the field through innovative research, compassionate care, and education.

Career Objective:

A highly motivated veterinary professional with a Doctor of Veterinary Medicine (DVM) and a strong research background in food safety and antimicrobial resistance. With a keen interest in public health and infectious diseases, I aim to leverage my microbiology and hygiene practices expertise to advance research and develop effective preventive measures. Committed to bridging the gap between scientific research and practical applications to enhance community health.
