🌐 Kayode (Emeka) Oladele

Profile

Experienced ICT professional with hands-on expertise in Data Analytics and prompt engineering. Adaptable and innovative problem-solver with a commitment to staying current with emerging technologies. Always aiming for perfection and quality, achieving professional distinction in whatever area of finance, business, science, or technology that requires my skills.

Work Experience

08/2024 – 08/2024	The Sparks Foundation(Internship) <i>Data Science & Business Analytics(Remote)</i> <ul style="list-style-type: none">Supervised machine learning models to predict student scores based on study hours, improving accuracy in performance forecasting.Utilized unsupervised machine learning techniques, specifically k-means clustering, to identify patterns and group data effectively.Analyzed data using Python, focusing on data cleaning, feature engineering, and model optimization to enhance prediction accuracy	Abuja, Nigeria
07/2024 – 08/2024	Terra Learning(Internship) <i>Data Analytics with Power BI(Remote)</i> <ul style="list-style-type: none">Cleaned and processed large datasets to ensure data quality and accuracy.Leveraged DAX (Data Analysis Expressions) to generate insights and perform complex calculations within Power BI.Created interactive visuals and dashboards that provided clear, actionable insights for stakeholders.Wrote efficient queries to extract and manipulate data, optimizing the performance of dashboards and reports.	Abuja, Nigeria
07/2024 – 07/2024	HNG Internship <i>Data Analytics (Remote)</i> <ul style="list-style-type: none">Analyzed the Titanic dataset using Power BI for exploratory data analysis and insight generation.Employed Python to predict future flood events in Lagos State.Used Python and GIS software to investigate irregularities and rigging possibilities in the last Nigerian presidential elections.	Abuja, Nigeria
10/2023 – 07/2024	Dotmac Technologies Limited <i>Data Analyst</i> <ul style="list-style-type: none">Generated business insights from large datasets using Zoho Analytics, helping drive strategic decisions.Cleaned and organized highly disordered datasets using Zoho Data Prep and Zoho Analytics, ensuring data accuracy and reliability.Tracked the performance of various teams (sales call centre, enterprise sales, regional sales, helpdesk, and project teams) to monitor progress and identify areas for improvement.	Abuja, Nigeria

- Created dashboards to visualize key metrics, revealing insights on service performance and identifying which services generated the most and least sales.
- Wrote complex queries to extract meaningful insights, supporting data-driven decision-making across the company.

04/2021 – 09/2021

Digi-Realm City Solutions(Internship)

Minna, Nigeria

Data Analyst

- Conducted exploratory data analysis (EDA) and created data visualizations using Excel on various datasets.
- Developed dashboards to present insights clearly and effectively.
- Created presentations in PowerPoint and facilitated sessions to teach data analysis concepts to peers.

Education

12/2024 – Present

Master's of Science (MS) in Data Analytics

Washington, DC,
United States

Nexford University.

11/2016 – 06/2023

Bachelor of Technology (B.Tech) in Mathematics(Statistics)

Minna, Nigeria

Federal University of Technology, Minna

Skills

Data Analytics | Effective Communication | Microsoft Office Suite | Critical Thinking |
Active Listening | Problem Solving

Certificates

Data Analysis (Digi-Realm City Solutions) | Python for Beginners (Simplilearn) |
Power BI for Beginners (Simplilearn) | Data Analytics (Terra Learning)

Courses

R Programming for Statistics and Data Science

Udemy

SQL for beginners

Alex Freberg

Python for beginners

Simplilearn

Power BI for Beginners

Simplilearn

Interests

Machine Learning | Data Science | Digital Marketing | Social Media Account Manager |
Prompt Engineering

Leadership Positions

07/2021 – 02/2023

Vice President

Minna, Nigeria

Fellowship of Christian Students, Federal University of Technology, Minna.

- Assisted the President in executing duties and acted on their behalf in their absence, ensuring the smooth functioning of the Fellowship.
