## Profile

A Golden Key International Honour Society member, MSc (Chemistry, Cum Laude) graduate from University of Johannesburg (2018) and a BSc Honours degree in Mathematics & Applied Mathematics from University of the Western Cape (2023).

During my post graduate studies at UJ, I worked as a student assistant tutor and an undergrad lab demonstrator. Post university, I worked part time at a promotions and activations company as a team leader where I gained transferable skills such as leadership skills, communication skills, strategic planning, adaptability as well as providing ad-hoc oral (presentation) and written feedback.

## Professional Experience

March 2018 –

March 2020

Johannesburg,  
South Africa

Planning and offering tutorial sessions, conducting chemistry practical courses for undergraduates (1st to 3rd years).

## Education

February 2022 –

November 2023

Cape Town,  
South Africa

**BSc Mathematical Science Honours**,

University of the Western Cape

Applied Mathematics, Financial Engineering and Financial Calculus

January 2016 –

August 2018

Johannesburg,  
South Africa

**MSc Chemistry**, University of Johannesburg

Organometallic Chemistry Research and Development

January 2015 –  
December 2015  
Johannesburg,  
South Africa

**BSc Chemistry Honours**, University of Johannesburg  
Analytical, Organic, Inorganic and Physical

January 2010 –  
December 2014  
Johannesburg,  
South Africa

**BSc Physical Science**, University of Johannesburg  
Mathematics and Chemistry

## Skills

**Microsoft Power BI**  
Data loading, Data Visualization, Data transforming

**Structured Query Language (SQL)**

**Technical skills**  
Scientific report writing  
Analytical thinking  
Complex problem solving  
Inductive reasoning  
Agile learning  
Market research

**Personal Skills**  
Time management  
Fast pace worker  
Attention to detail  
Adaptability  
Collaboration

## Publications

26th February 2019

**Branched Oxo product selective low temperature and pressure hydroformylation of olefins in aqueous-biphasic media,**  
Dalton Transaction  
Catalysis

## Certificates

Catalysis Society South Africa (CATSA)
