PROFESSIONAL SUMMARY

I am a highly motivated data analyst seeking an internship to leverage my academic knowledge, analytical skills, and passion for data analysis. With a degree in Economics, a certification in Data Analysis, and practical experience in statistical analysis, I possess strong skills in data collection, cleaning, analysis, and visualization. I am proficient in tools such as Excel, SQL, Power BI, and Python (including libraries like Numpy, Pandas, and Matplotlib). I am eager to contribute to a dynamic team while gaining hands-on experience in the field of data analysis and contributing to impactful projects.
